

# OUTDOOR OASIS

OUTFIT YOUR EXTERIOR SPACE WITH A FEW OF OUR FAVORITE THINGS

## FORM + FUNCTION

Penroyer Newman has cast two millstone grinding wheels for garden walls, steps and even can be made into fountains. Use with an Alpine Trough to capture water from a custom-installed spout. Available in two sizes: 22-inch diameter and 39-inch diameter. [penroyernewman.com](http://penroyernewman.com).

## FINE FLORAL

Inspired by David Harber's passion for the natural environment, *Florio* acts as a sculptural embodiment of plant growth. Elegantly curving copper flutes of each layer reach skyward with the gilded uppermost flute giving off a lustrous warm glow. [davidharber.com](http://davidharber.com).

## GROW YOUR OWN

Enjoy fresh veggies and delicious salads all year long grown in your own Hartley Botanic handmade greenhouse (Victorian shown). The beautiful structures are hardy enough to stand up to snowy New England winters. [hartleybotanic.com](http://hartleybotanic.com).

## HOT SHOT

The Fire Totem by Studio Vlock is an elegant, functional fine art piece that reimagines the utilitarian patio heater. Vlock's imagery, inspired by nature, creates an alluring centerpiece when lit. The design of this steel sleeve covers any style heater from top to bottom without changing its functionality. [studiovlock.com](http://studiovlock.com).

## STACKING UP

Need a good-looking way to stack your fireplace or fire-pit wood? Step2's Longhorn firewood rack is made from high-quality resin that is rustproof and weatherproof and holds approximately 6.5 cubic feet of firewood. [step2.com](http://step2.com).

## SOFT SEATING

When you need extra seating, the Apex outdoor ottoman from Roche Bobois is a fun and colorful option. The quilted design is achieved with Meridien outdoor fabrics. [roche-bobois.com](http://roche-bobois.com).

## NATURAL BEAUTY

Teak is a natural in the garden because it ages beautifully and is weather resistant. The Emma table from Teak Warehouse is made with a smooth, circular top set on a slatted base in a high-quality and durable teak. [teakwarehouse.com](http://teakwarehouse.com).

## GATHERING PLACE

Geometric frames and clean, contemporary lines define the Matisse collection from Janus et Cie. Lounging and dining pieces are crafted from sustainably sourced premium teak. The warm, natural finish and finely grained wood is complemented by polyvinyl mesh panels in Mocha. [janusetcie.com](http://janusetcie.com).
