PATIO BOARDS
 Constructed to offer the appeal of real wood, the patio boards by SigmaDek are actually Italian porcelain tiles that resist warping, cracking, or fading. The tiles come in a variety of colors and interlock in an aluminum tray that comes in two different finishes. ●
 FOR MORE INFORMATION, VISIT WWW.SIGMADEK.COM.

VENTLESS FIREPLACE
 The ventless fireplace is available in a number of models that vary in size and viewing panel locations. It can be made for the interior or exterior with custom options allowing for a wide range of colors, finishes, and decorative accents. The fire is fueled by alcohol gel cartridges. ●
