

*This page, clockwise, from top: Illustrated by Wendy Hollender, prints from Dina Falconi's book Foraging & Feasting: A Field Guide and Wild Food Cookbook (Botanical Arts Press, 2013) depict the intricacies of poppies and violets. Copper detailing highlights a terrarium from H Potter, sold with convenient planting kits. Tucked inside, the planter at right, from Pennoyer Newman, was recast from a historic vessel. Candleblocks from Peg and Awl, a shapely dove from Pennoyer Newman, and an urn from Kirkland's add charm.*
